

Who are the other people providing services to students with SEND at Clapton Girls' Academy?

All teaching and support staff at Clapton Girls' Academy have a responsibility to provide SEND students with the support they need in order for them to make progress and achieve their full potential. In addition to this we have excellent links with various outside agencies, within the borough, who provide a range of specialist services to support our SEND students.

Effective working links are maintained with:

Hackney Education Inclusion and Specialist Support Team

(ISST Barbera Carpenter)

0208 820 7613
