- What roles are available at your organisation?
- What training programmes are available to get into X career?
- What do you enjoy the most about your job?
- What did you need to do in order to get into your current job?
- Do you have to do more work alone or with other people?
- Are you also able to maintain a social life along with our work?
- What's the main skill you need for your job?
- What was your education/training route into this career?
- What did you find useful in school that you find useful at work?
- What are the requirements for X career?
- Do your programmes have ties with other organisations?
- What jobs have you done and what skills have they given you?
- What does a normal day in your work life consist of?
