Ms Anna Feltham: Headteacher

Wednesday 8 February 2023

Dear Parents,

Following the earthquake in Turkey and Syria on Monday, our thoughts and condolences are with those CGA families with friends and family that have been affected.

As part of our academy value of compassion, we will be raising funds for the Red Cross Turkey-Syria appeal this Friday. There will be donation buckets at the morning gates and students that are able to can make a voluntary contribution of £1. If any parents would like to donate, more information about the Red Cross appeal and the donation link, click [here](#)

If any parents are particularly concerned about their own child's wellbeing as a result of this news, please do let us know by contacting your child's Head of Year, emailing CGA@clapton.hackney.sch.uk or calling main reception.

Kind regards,

Anna Feltham
Headteacher
